- Open when you need it, folded when you don't
- The perfect companion for everyday living, occasional use, and travel
- Comfort-Plus ergonomic handle conforms to your hand and helps reduce impact shock transfer
- Ideal for those with arthritis
- Constructed from lightweight anodized aluminum
- Wrist strap with reflective patch for added night time safety
- The Flex-grip tip is engineered to provide fluid surface contact throughout the walking motion
- Tread design provides superior grip and also helps to absorb impact shock
- Secure strap included to keep the cane folded when not in use
